

The Community Booth @ Art by the Falls

Valley Art Center recognizes the critical role that non-profits play in building community and the importance of this work. To highlight and celebrate these efforts, VAC invites local non-profit partner organizations to join us in our Community Booth at Art by the Falls 2023 which will be prominently located in a high traffic area to maximize exposure. Non-profits are invited to bring their own tablecloth and tabletop display to share their mission.

As a fellow non-profit organization that also relies heavily on a community of volunteers, VAC designed the Community Booth to help our nonprofit community share the amazing work while not creating organizational fatigue of staffing a booth for the entire festival.

Benefits

- VAC will provide a tent, 8' table and 2 chairs.
- No charge for booth space.
- Exposure of your mission work to 3,000 attendees.
- 1 parking space will be for your organization in the adjacent Orange Street Lot.

Our ask

In exchange, VAC asks that our partner organizations share to their social media and newsletter feeds their participation in Art by the Falls and tag Valley Art Center and the Art by the Falls. We ask for a post share/tag in early May and again the week before the show. More information will be shared on targeted post shares.

We ask non-profit partners to refrain from sales or active fundraising solicitation during the festival. The artists who join us for Art by the Falls have gone through an extensive juried selection process. If you have artists who support your non-profit, we encourage them to enter through the jury process for acceptance into the festival. The deadline for that process is February 15, 2023.
